PointDrain

*Catch basins for use
around the home and
garden*

PointDrain

The Type 25 PointDrain provides a durable drain solution in areas where ponding or excess water may collect.

The basin is manufactured out of polymer concrete and has several outlet configurations for system flexibility along with a choice of grates suitable for either pedestrian or light vehicular traffic.

Suitable for pedestrian/light vehicle traffic applications such as:

- Gardens
- Patios
- Walkways
- Driveways
